

# WEB DESIGN & HOSTING

Professionally designed, managed, and hosted websites for business

## CONTENT

Showcase your brand; inform and educate in ways that boost your authority and improve loyalty.

## COMMUNITY

Connect like-minded individuals and foster engagement, conversation, and collaboration.

## COMMERCE

Create a smooth online shopping experience that seamlessly converts clicks into customers.

According to a 2018 study of over 6,000 websites, HubSpot found the average lifespan of a website is 2-3 years. This implies that planning a pretty significant overhaul about every 3 years to keep up with website technology and trends would be a suitable best practice.

## RUN A WEBSITE OR RUN YOUR BUSINESS

Running a successful small business requires focus and attention to detail. We understand that your time and resources are valuable, which is why we offer expert WordPress design and hosting services that allow you to focus on what you do best - running your business.

We take care of the technical aspects of website design and maintenance, so you can stay focused on providing excellent products and services to your customers. Our team of experts will work closely with you to ensure that your website meets your specific needs and goals, while also providing a seamless user experience for your customers.

With our WordPress design and hosting services, you can trust that your website is in good hands, leaving you free to focus on growing your business.

## WEB SERVICES

### THE PROCESS

**TEMPLATE**

**CONTENT**

**GO LIVE!**

**2-Week Quick Turn Available**

**TEMPLATE** | Choose from over 200 beautifully designed layouts while we set up the infrastructure and back-end administration. This is also a good time to think about colors.

**CONTENT** | Provide us all the content you would like to include. You can give us the exact wording or let us do our magic to help lighten your load.

**GO LIVE!** | Once approved, we'll make your site public and then keep your site properly maintained with plugin and security updates automatically.

*Custom functionality or graphic design require additional time and expertise that will be quoted upon request.*

*We are happy to provide a free 30-minute consultation.*

### "I already have a website."

A new website can improve your online presence, provide a better user experience, help you achieve your business goals, and better align with your branding.

### "I don't have time to manage this."

Our white-glove service means that you don't have to worry about managing your site. We handle all aspects of design, hosting, and maintenance for you.

#### REDUCE UP-FRONT COST

Don't have the cash to pay up-front for website design? Not thrilled about the DIY options or having to learn yet another portal? Get your site live for the price of one month's subscription.

#### SAVE TIME

Wishes to website in 2 weeks? Absolutely possible! Our goal is to simplify what some feel is a complicated process. We'll get your website going and you move on with your business.

#### MOBILE-OPTIMIZED

Our WordPress designs are screen-responsive to ensure that your website is optimized for mobile devices, making it easy for customers to access and use your site on-the-go.

#### PEACE OF MIND

Partnering with a trusted provider to design, develop, and host your website gives you confidence that real people have your back and we're a phone call, email or chat away.

#### REGULAR MAINTENANCE

Regular updates and maintenance help extend the lifespan of your website and ensure that it remains effective and relevant over time. We automatically and routinely apply security updates to keep your site current with rapidly changing technology.

#### SECURITY & BACKUPS

We provide robust security measures and regular updates to protect your website and data from potential threats, giving you peace of mind. Daily backups ensure quick restoration when needed.
